Also present but not shown were John & Savon Frierson and Wesley Childs.

Prayer Requests - **Porter Compton**, one of Shepherd's Kids'-Time Kids has been diagnosed with the possibility of having cystic fibrosis, a problem with the exocrine glands. Porter is the son of Noah & Patty Compton

Family of Luke Hoover - Luke, 17, was killed in a car accident on Saturday night. He was a member of Rock Hill Grace Church of the Nazarene. Luke was the son of Randy and Angie Hoover. He was the grandson of Richard & Joyce Walker and Geraldine Hoover.

Just Thinking - Miz Savon had decided after over 20 years, that it was time to rearrange our den. She knew that there had to be a better way, so our chairs would face the fireplace and we could still watch TV. Presently the fireplace is on one end of the long room and the TV is on the other; the chairs and sofa are in the mid-ground.

I had a cable installed to move the TV to the other end; when our son and daughter-in-law came home, the furniture started magically moving until the TV and the fireplace were at the same end of the room. The couch and chairs were at the other end; which was fine with me, except I could not come into the room without banging my leg on the end of the couch. The chairs were crammed into a corner and could not recline, without protruding into the middle of the room. Oh, did I mention the tread mill?

We even went to look for new furniture to fit the configuration; without success.

There are things in life like that we just don't like; but we don't have a way to change them. Remember the Serenity Prayer, *"God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference."* AMEN!

The last thing Tem and DeeDee did before returning home was to put the room back exactly as it was. Now we know that it is something that we cannot change, we may still try again, in another 20 years.

We'll see you in Church, Sunday School, and in the next *Shepherd Tuesday Happenings*.

Finally - When little Nellie said her bedtime prayers, she would bless every family member, every friend, and every pet, current and past.

For several weeks, after we had finished the nightly prayer, Nellie would say, 'All girls.' This soon became part of her nightly routine, to include this closing.

My curiosity got the best of me and I asked her why do you always add the part about all girls?'

Her response, 'Because everybody always finishes their prayers by saying 'All Men'!'
